

ALTERIA

SIGNATURE ALUMINIUM SYSTEMS

MAKE A SIGNATURE STATEMENT WITH ALTERIA

Alteria is your new solution for when you need beautiful aluminium battens and claddings.

We offer five ranges and an extensive selection of colours, each designed to meet Australian conditions including realistic wood-look options plus many on-trend pearlescent and anodised-look colours.

SIGNATURE SYSTEM

Alteria's aluminium battens and claddings have been developed for architects and designers. When you specify Alteria, you are getting more than just an aluminium profile, you are getting a complete System.

With a curated range of proprietary two-piece battens and interlocking cladding profiles, the Alteria Signature System has been designed with all the complementary accessories and trims to ensure not only an efficient installation, but a façade that will look exceptional and will last for years to come.

By following the care and maintenance instructions, Alteria Aluminium Systems are also covered by one of our Signature

Warranties. See Finishes section for details.

ALTERIA

SIGNATURE ALUMINIUM SYSTEMS

Alteria Signature Aluminium Systems has been designed and developed to meet the needs of the design and construction industry. Our team has worked extensively with architects and designers, as well as builders and contractors, and saw an opportunity to create a range of aluminium battens and cladding that stood out from the rest - this is how Alteria Signature Aluminium Systems was created.
